“CARRIED”

Res. #2006-446: Moved by Councillor Bain, seconded by Councillor Vaillancourt
WHEREAS the Province of Ontario, in its 2004 Provincial budget demonstrated support for stronger communities by stating that "we are increasing the Province's share of Public Health costs, from 50% to 75% over three years, uploading \$127 million dollars from the budgets of municipalities by 2007.";

AND WHEREAS the Province of Ontario increased its share of operating the North Bay Parry Sound District Health Unit to 65% in 2006 with the expectation that the member municipalities would see a reduction of their share to 35%;

AND WHEREAS the Minister of Health and Long Term Care, George Smitherman clearly indicated that the Province would be capping Health Unit budget increases to fall within a maximum 5% envelope for all increases;

AND WHEREAS Dr. Sheela Basrur, Chief Medical Officer of Health and Assistant Deputy Minister of Health and Long Term Care had previously assured the member municipalities of the former North Bay and District Health Unit that there would be no negative financial impact on the said member municipalities resulting from the merger with the former mismanaged Parry Sound Health Unit;

AND WHEREAS the Administration and Board Chair of the consolidated North Bay Parry Sound District Health Unit have indicated that exceptionally large increases to this health units budget are required to help increase compliance rates within the health unit and specifically within the geographic area of the former Parry Sound Health Unit, contrary to the assurances of the Chief Medical Officer of Health and the intent of the adopted merger plan:

On page 52 of the Muskoka-Parry Sound Health Unit Merger Plan it states that Municipal levies need to be re-calculated to

minimize any substantial shifts among obligated municipalities that would result in cross-jurisdictional subsidies for program delivery,

AND WHEREAS the North Bay Parry Sound District Health Unit Board confirmed, at its last regular meeting, that it will be proceeding with a budget containing extraordinary spending increases contrary to the Province's intent to aid cash strapped municipalities;

AND WHEREAS the North Bay Parry Sound District Health Unit is acting prematurely not having yet received the final request grant amount from the Province;

- 11 -

July 10, 2006

THEREFORE BE IT RESOLVED THAT the Council of the City of North Bay respectfully requests that the Minister of Health and Long Term Care directly intercede with the North Bay Parry Sound District Health Unit in order to cause this Health Unit to comply with the stated goals of the Province to provide financial relief to financially challenged member municipalities;

AND FURTHER BE IT RESOLVED THAT the Council of The City of North Bay demands that the North Bay Parry Sound District Health Unit immediately reduce its operating budget and associated municipal levy in order to comply with the spirit and intent of the Provincial direction as well as alleviating the unjust subsidy of the former Parry Sound Health Unit;

AND FURTHER THAT the Council of the City of North Bay respectfully requests that all member municipalities of the North Bay Parry Sound District Health Unit pass similar resolutions and forward them to the following Elected Officials and organizations;

AND FURTHER THAT a copy of this resolution be forwarded to the Premier of Ontario, Minister of Health and Long Term Care, Minister of Finance, Monique Smith, MPP for Nipissing, The Association Of Municipalities of Ontario, The Federation Of Northern Ontario Municipalities, member municipalities of the North Bay Parry Sound District Health Unit, Leaders of the Opposition Parties, and the North Bay Parry Sound District Health Unit.
