

**Multi-use Pathway Construction**  
**Marshall Avenue; Kate Pace Way to Booth Road**  
**Booth Road; Marshall to Lakeshore Drive**

The extension of the Kate Pace Way along Marshall Avenue to Booth Road and along Booth Road to Lakeshore Drive has begun. The project will involve the construction of a multi-use trail on either side of these roadways.

Traffic along these routes will be maintained although it may be reduced at times and delays may occur. Access to all homes and businesses will be maintained.

Bus routes along Booth Road will be maintained however some stops may be temporarily removed during construction. Updated information will be posted on the City of North Bay's web page ([www.cityofnorthbay.ca](http://www.cityofnorthbay.ca)).
