

FOR IMMEDIATE RELEASE:

The City of North Bay recognizes Ontario Heritage Week 2010

The week of February 15-21, the City of North Bay and the North Bay Municipal Heritage Committee will join municipalities and organizations throughout the province in celebrating Ontario Heritage Week 2010. Heritage Week is a unique opportunity for residents to recognize and acknowledge our local history and those individuals that have made their mark on our community.

The North Bay Municipal Heritage Committee invites residents to take a moment to reflect on the community's history during Ontario Heritage Week 2010. A recommended walking tour of properties with local heritage attributes is available online at: http://www.cityofnorthbay.ca/common/pdf/planning_illustrative_guide.pdf. Please note that not all sites on this tour are open to the public.

The North Bay Municipal Heritage Committee is made up of community volunteers appointed by North Bay City Council. Formed in 1996, the Committee's mandate is to advise and assist Council on matters related to heritage places and buildings.
