

NOTICE OF A PROPOSAL

North Bay Hydro Distribution Limited to Engage in a Renewable Energy Project

Project Name: Merrick Landfill Site Gas Utilization Project

Project Location: Merrick Landfill Site, Sand Dam Road, Unorganized Township of Merrick, District of Nipissing

Dated at City of North Bay this the 25th of February 2011

North Bay Hydro Distribution Limited is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in the project and the project itself is subject to the provisions of the *Environmental Protection Act (ACT)* Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15.1 of the Regulation following the posting of the project on the environmental registry.

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which this project is to be engaged in, is a Biogas Facility under the Ontario Regulation 359/09 Renewable Energy Approvals under Part V.0.1 of the act (O.Reg.359/09). If approved, this facility would have a total maximum name plate capacity of 1.6 MW. The project location is described in the map below.

Environmental Bill of Rights, 1993:

A proposal for a renewable energy approval in respect of the renewable energy project has been posted on the environmental registry (www.ebr.gov.on.ca), Registry Number: 011-2598. Comments in respect of the proposal may be submitted to the Director.

Documents for Public Inspection:

The applicant has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the supporting documents have been made available for public inspection on 25 February 2011 at:
