VOTERS' LIST

Preliminary List of Electors (PLE)

The Preliminary List of Electors (PLE) supplied by the Municipal Property Assessment Corporation (MPAC) shall be delivered to the Clerk by July 31, 2022 if no date is agreed upon with MPAC or prescribed by the Minister [Section 19 (1.1)].

The PLE shall contain the name and address of each person who is entitled to be an elector and any additional information the Clerk needs to determine for which offices each elector is entitled to vote, such as school support [Section 17 (4)].

In addition, if the local municipality is divided into voting subdivisions, the name of each resident elector shall be entered on the PLE for the voting subdivision in which they reside and the name of each non-resident elector shall be entered on the PLE for the voting subdivision in which the elector or his or her spouse is an owner or tenant of land [Section 17 (5)].

The Clerk shall, to the best of their ability and legislative authority, ensure that an elector's name appears on the PLE for a local municipality only once [Section 17 (6)].

Where a voter qualifies at more than one location in the municipality, the voter may vote only **once** for each office and the qualifying address to determine eligibility for voting shall be the elector's place of residence [Section 17 (7)].

It is possible for an elector's name to appear on the Voters' List of more than one municipality. That elector may be eligible to vote in both municipalities. For example, a person listed as a resident elector in one municipality and a non-resident elector in another municipality is entitled to vote in each, provided they are not voting for the same office more than once. For example, School Board votes must be cast in the municipality where the elector resides.

Correction of Errors

The Clerk shall correct any obvious errors in the PLE prior to September 1, 2022 and notify the Municipal Property Assessment Corporation (MPAC). This notification can occur when the "Final List of Changes" to the Voters' List is sent to MPAC after the election (see the Final List of Changes Section below). However, those changes affecting a ward and voting place designation, missing streets, buildings or subdivisions, should be forwarded to MPAC in time for inclusion in the September Exceptions files that MPAC provides. Notification to MPAC should be sent in an email to the municipality's Municipal Relations Representative.

The Clerk may use any information that is in the municipality's custody or control when correcting the PLE for obvious errors [Section 22 (2) and (3)].

Certification of Voters' List

The corrected PLE becomes the Voters' List once it is reproduced and identified with a "Voters' List Cover Sheet", Form LC08, on or before September 1, 2022.

The City of North Bay utilizes the Municipal VoterView module to manage and update the voters' list on an ongoing basis. Only those appointed Election Officials have the authority to access the module.

The use of the Voters' List shall be in accordance with the "Policy for Use of the Voters' List", Form LC11.

Access to the Voters' List

The legislation states that the Voters' List cannot be posted in a public place and can be used only for election purposes.

Pursuant to the *Municipal Freedom of Information and Protection of Privacy Act*, details about another person, other than the person an Election Official is speaking with, should not be provided, including whether or not the individual is on the Voters' List. QUESTION ON THE BALLOT

Section 8 of the *Municipal Elections Act* (MEA), 1996 enables Council to pass a by-law to submit a question to the electors or a by-law requiring elector assent. This by-law must be passed at least 180 days before voting day.

The last day for passing such a by-law is March 1, 2022.

While this seems a long way off, there are processes that need to be followed not the least of which is whether or not Council has even considered its option to place a question on the ballot. If it does, there are rules to follow. Reports and financial calculations which will have to be presented on the matter and the more time you have the better.

A question on the ballot must concern a matter within the jurisdiction of the municipality and may not concern a matter which has been prescribed by the Minister as a matter of provincial interest. Matters of provincial interest are matters where:

- The municipality requires an action by the provincial government in order to implement the results of the question;
- The municipality does not have the authority to implement all aspects of the results of the question;
- The question involves casinos and charities (as defined in the *Ontario Lottery and Gaming Corporations Act*, 1999); or
- The question involves municipal restructuring.

Before a municipality decides to place a question on the ballot, it must first determine if the implementation of the question is within the municipality's jurisdiction. If the answer is "no", then the municipality cannot proceed. The question must be clear, concise and neutral and must be capable of being answered by a "yes" or "no". Before passing the by-law directing the submission of a question to the electors, Council must hold a public meeting to consider the matter for which the clerk shall provide a minimum of 10 days' notice.

Within 15 days of the passing of the by-law, the clerk must provide notice of the passage of the by-law which must include the wording of the question in addition to a clear, concise and neutral description of the consequences of the question if it is approved or rejected. In addition, an estimate of the costs, if any, that the municipality may incur in implementing the results of the question must be included in the notice as well as a description of the legislative right to appeal and the last day for filing notice of appeal.

The Minister of Municipal Affairs and Housing, or any other person or entity, may appeal the by-law within 20 days of the notice of passage being issued on the limited grounds that it is either; not clear, concise and neutral; or it is

incapable of being answered in the affirmative or negative. Appeals are addressed to the Chief Electoral Officer of the Province of Ontario and filed through the clerk who is required to forward these notices and any other information or material required within 15 days of the final filing date.

The Chief Electoral Officer is required to hold a hearing within 60 days of receiving the notices of appeal to determine whether the appeals should be dismissed or allowed in whole or in part.

Results of the question are binding if at least 50% of the eligible electors vote on the question and of those, more than 50% of the votes are in favour of those results.

If the results are binding and the "affirmative" received the majority of the votes, the municipality is required to pass any by-law or resolution to implement the question, meeting any legislative requirements if applicable, between 14 and 180 days after Voting Day.

There are exceptions to implementing a binding question. Conditions under other legislation must be observed prior to implementing a binding question. For example, if there was a binding "yes" vote to build a community centre and a zoning amendment was required, all legislation dealing with the zoning changes would have to be complied with. Implementation can be delayed or cancelled if conditions substantially change. For example, if there was a binding "yes" to build a community centre and the municipality experiences substantial financial difficulties, the municipality has the option not to proceed.

If the results are binding and the "negative" received the majority of the votes, the municipality shall not do anything to implement the matter for a period of 4 years following voting day.
