**The Corporation Of The City Of North Bay**

**By-Law No. 2014-38**

**Being a By-Law to Regulate Traffic on Highways in the City of North Bay and to Repeal By-Law No. 2002-01, As Amended.**

**Whereas** section 9 of the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended, provides that a municipality has the capacity, rights, powers and privileges of a natural person for the purpose of exercising its authority under that Act or any other Act.

**And whereas** section 10(1) of the *Municipal Act, 2001* provides that a single-tier municipality may provide any service or thing that the municipality considers necessary or desirable for the public;

**And whereas** section 10(2) of the *Municipal Act, 2001* provides that a single-tier municipality may pass by-laws respecting: in paragraph 5, social and environmental well-being of the municipality; in paragraph 6, health, safety and well-being of persons; in paragraph 7, services and things that the municipality is authorized to provide under section 10(1); in paragraph 8, protection of persons and property; and in paragraph 10, structures, including signs;

**And whereas** the *Highway Traffic Act*, R.S.O. 1990, c. H.8, as amended, authorizes a municipality to pass by-laws regulating traffic on highways;

**And whereas** it is deemed expedient to regulate or prohibit certain traffic within the limits of the City of North Bay;

**Now therefore the Council of The Corporation of the City of North Bay hereby enacts as follows:**

**Part 1 – Interpretation And Application**

**1.1 Short Title**

This by-law may be cited as the “Traffic By-Law”.

**1.2 Application**

This by-law applies to all highways in the City which are under jurisdiction of the City and/or maintained by the City.

**1.3 Schedules**

The Schedules referred to in this by-law form an integral part of it. Each entry in a column of a Schedule is to be read in conjunction with the entry or entries across from it.

**1.4 Ontario Traffic Manual**

The Ontario Traffic Manual is hereby adopted as it applies to the provisions of this by-law.

**1.5 Severability**

If any provision or part of a provision of this by-law is declared by a court of competent jurisdiction to be illegal or inoperative in whole or in part, or inoperative in particular circumstances, such provision or part of the provision shall be deemed to be severable, and the balance of the by-law, or its application in other circumstances, shall not be affected and shall continue to be in full force and effect.

## Part 2 – Definitions

### 2.1 For the purposes of this by-law:

**“Authorized Sign”** means any sign, device, or barricade placed or erected by the City on a highway for the purpose of regulating, warning, guiding or prohibiting traffic. Authorized sign includes any official sign placed or erected by the City on a highway.

**“Boulevard”** means the area:

- (1) between the outer edge of the shoulder of a roadway and the sidewalk or property line; or
- (2) where there is a curb, between the curb and the sidewalk or property line.

**“Chief of Police”** means the Chief of Police of the North Bay Police Service.

**“City”** means The Corporation of the City of North Bay.

**“Commercial Motor Vehicle”** means a motor vehicle having permanently attached thereto a truck or delivery body and includes ambulances, hearses, casket wagons, fire apparatus, buses and tractors used for hauling purposes on the highways.

**“Community Safety Zone”** means a highway or portion of a highway designated by Council as a community safety zone for the purposes of section 214.1 of the *Highway Traffic Act*.

**“Corner”** means the point of intersection of the improved limit of intersecting roadways.

**“Council”** means the municipal council of The Corporation of the City of North Bay.

**“Crosswalk”** means:

- (1) that part of a highway at an intersection which is included within the connection of the lateral lines of the sidewalks on opposite sides of the highway measured from the curbs or, in the absence of curbs, from the edges of the roadway, or
- (2) any portion of a roadway at an intersection or elsewhere distinctly indicated for pedestrian crossing by signs or by lines or other markings on the surface.

**“Curb”** means the raised edge at the outer limits of the travelled portion of the road.

**“Emergency Vehicle”** means police vehicles, fire department vehicles, ambulances, civil defence vehicles, and public utilities emergency vehicles.

**“Gross Weight”** means the combined weight of the vehicle and load.

**“Heavy Vehicle”** means a commercial motor vehicle for which the gross vehicle weight as shown on the registration permit issued under the *Highway Traffic Act* exceeds 3,000 kilograms.

**“Highway”** includes a common and public highway, street, avenue, parkway, driveway, square, place, bridge, viaduct or trestle designed and intended for or used by the general public for the passage of vehicles and includes the area between the lateral property lines thereof.

**“Highway Traffic Act”** means the *Highway Traffic Act*, R.S.O. 1990, c. H.8, and amendments thereto.

**“Intersection”** means the area embraced within the prolongation or connection of the lateral curb lines or, if none, then of the lateral boundary lines of two or more highways that join one another at an angle, whether or not one highway crosses another.

**“Managing Director of Engineering, Environmental Services and Public Works”** means the Managing Director of Engineering, Environmental Services and Public Works for The Corporation of the City of North Bay, or his or her designate.

**“Ministry of Transportation”** means the Ministry of Transportation of Ontario.

**“Motor Vehicle”** includes an automobile, a motorcycle, a motor-assisted bicycle unless otherwise indicated in this by-law, and any other vehicle propelled or driven otherwise than by muscular power, but does not include a street car or other motor vehicle running only upon rails, a power-assisted bicycle, a motorized snow vehicle, a traction engine, a farm tractor, a self-propelled implement of husbandry or a road-building machine, as those terms are defined in the *Highway Traffic Act*.

**“Official Sign”** means a sign approved by the Ministry of Transportation.

**“One-Way Street”** means a highway or portion of a highway upon which vehicular traffic is limited to movement in one direction.

**“Ontario Traffic Manual”** means the Ontario Traffic Manual as produced by the Ministry of Transportation for use by municipalities in Ontario, consisting of a series of manuals numbered sequentially and referred to as “Books”, as amended from time to time. The Ontario Traffic Manual provides guidelines and best practices for the design, application, and operation of traffic control devices and systems in the Province of Ontario.

**“Park” or “Parking”** means the stopping or standing of a vehicle, whether occupied or not, with or without the engine activated.

**“Pedestrian”** means a person afoot or in a wheelchair, or a child in a carriage .

**“Police Officer”** means a sworn member of a police service.

**“Power-Assisted Bicycle”** means a bicycle that,

- (1) is a power-assisted bicycle as defined in subsection (2)(1) of the *Motor Vehicle Safety Regulations* made under the *Motor Vehicle Safety Act* (Canada),
- (2) bears a label affixed by the manufacturer in compliance with the definition referred to in subsection (1),
- (3) has affixed to it pedals that are operable, and
- (4) is capable of being propelled solely by muscular power.

**“Road”** means a highway as defined in this by-law.

**“Road Service Vehicle”** means a vehicle while it is being used for highway maintenance purposes by or on behalf of the City or other authority with jurisdiction and control of the highway.

**“Roadway”**  
means the part of the highway that is improved, designed or ordinarily used for vehicular traffic, but does not include the shoulder, the boulevard or the sidewalk

and, where a highway includes two or more separate roadways, the term “roadway” refers to any one roadway separately and not to all of the roadways collectively.

“**Schedule**” means a Schedule attached to and forming part of this by-law, unless otherwise indicated.

“**Segway**” means a device known as the Segway Personal Transporter or the Segway Human Transporter that is manufactured by Segway Inc.

“**Sidewalk**” means that portion of a highway between the curb lines or the lateral lines of a roadway and the adjacent property lines, improved by paving, concrete or other means for the use of pedestrians.

“**Stand**” or “**Standing**” means the halting of a vehicle, whether occupied or not, except for the purpose of and while actually engaged in receiving or discharging passengers.

“**Stop**” or “**Stopping**” when prohibited, means the complete cessation of movement of a vehicle, even momentarily, whether occupied or not, except when necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or of a traffic control sign or signal.

“**Street**” means a highway as defined in this by-law.

“**Traffic**” includes pedestrians, ridden or herded animals, vehicles, and other conveyances, either singly or together, while using any highway for the purpose of travel.

“**Traffic Control Signal**” means that part of a traffic control signal system that consists of one set of no less than three coloured lenses, red, amber and green, mounted on a frame, and placed or erected by the authority of Council or the Ministry of Transportation.

“**U-Turn**” means the turning of a vehicle within a roadway so as to proceed in the opposite direction.

“**Vehicle**” includes a motor vehicle, trailer, traction engine, farm tractor, road-building machine, bicycle, power-assisted bicycle and any vehicle drawn, propelled or driven by any kind of power, including muscular power, but does not include a motorized snow vehicle or a street car.

## **Part 3 – Traffic Regulations**

### **3.1 General Traffic Restrictions**

- (1) The driver of a vehicle emerging from a lane, approach, driveway, lot or building shall stop the vehicle immediately before entering any part of the highway, and shall yield the right of way to pedestrians and other traffic as may be necessary to avoid a collision.
- (2) No person shall operate a vehicle so as to strike the rear of another vehicle in front of such person.

- (3) No person shall reverse a vehicle into an intersection or over a crosswalk and no person shall, in any event or at any place, reverse a vehicle unless such movement can be done safely.
- (4) No person shall drive a vehicle, other than a road service vehicle or motorized wheelchair:
  - (a) upon a sidewalk except for the purpose of directly crossing a sidewalk; or
  - (b) over a curb except at a place where a ramp has been provided.
- (5) No person shall drive a vehicle over an unprotected fire hose extended for firefighting purposes.
- (6) No person shall drive a vehicle on any part of a highway which is marked as being closed to traffic for the time being, by an authorized sign erected or placed by the City.
- (7) No person shall stand, sit or ride on or in any portion of a vehicle not designed for carrying passengers, and no person shall operate a vehicle while any person is standing, sitting or riding on a portion of a vehicle not designed for carrying passengers.
- (8) No person shall interfere with an authorized sign, traffic control signal, or traffic control signal system, erected or placed on a highway by the City.

### **3.2 Processions**

- (1) No person operating a vehicle shall intersect a funeral, parade or other procession authorized by the Chief of Police while it is in motion except under the direction of a police officer.
- (2) The driver of a vehicle in a funeral, parade or other procession shall follow the vehicle ahead as close as is practicable and safe.

### **3.3 Bicycles**

- (1) Every person riding a bicycle shall ride:
  - (a) in single file only; and
  - (b) as close as possible to the right hand curb, except that on a one-way street a person riding a bicycle may also ride as closely as possible to the left hand curb.
- (2) No person shall ride a bicycle upon a sidewalk or boulevard except for the purpose of directly crossing a sidewalk or boulevard.

### **3.4 Segways**

- (1) Notwithstanding the provisions of section 3.1(4), a person may operate a Segway on a sidewalk if:
  - (a) he or she is 14 years of age or older;
  - (b) his or her mobility is limited by one or more disabilities, conditions or functional impairments; and
  - (c) he or she possesses and produces for inspection forthwith, upon demand of a police officer, a medical certificate from a doctor to certify that his or her mobility is limited.

- (2) No person shall operate a Segway on a sidewalk except during the period commencing May 1 to October 14 of each year.
- (3) No person under 18 years of age shall operate a Segway while on a sidewalk unless the person is wearing a helmet that complies with the regulations under the *Highway Traffic Act*, and the chin strap of the helmet is securely fastened under the chin.
- (4) No parent or guardian of a person under 16 years of age shall authorize or knowingly permit that person to operate a Segway on a sidewalk unless the person is wearing a helmet that complies with the regulations under the *Highway Traffic Act*, and the chin strap of the helmet is securely fastened under the chin.
- (5) No person shall operate a Segway on a sidewalk unless it is equipped with a bell or horn, which shall be kept in good working order.
- (6) Every person operating a Segway on a sidewalk shall sound its bell or horn whenever it is reasonably necessary to notify pedestrians or others of its approach.
- (7) Every person operating a Segway on a sidewalk:
  - (a) shall give way to pedestrians or bicycles by slowing or stopping if there is insufficient space to pass;
  - (b) shall not operate at a speed that is markedly greater than the speed of pedestrians who are proximate to the Segway; and
  - (c) shall not operate it in such a manner that it may harm, injure or damage, either directly or indirectly, any person or property.
- (8) Every person operating a Segway on a sidewalk at any time from one-half hour before sunset to one-half hour after sunrise and at any other time when, due to insufficient light or unfavourable atmospheric conditions, persons and vehicles are not clearly discernible at a distance of 150 metres or less:
  - (a) shall carry a lighted lamp displaying a white or amber light at the front of the Segway and a lighted lamp displaying a red light at the rear of the Segway; and
  - (b) the lamps shall be attached to the Segway or shall be carried or worn by the operator on his or her person.
- (9) No person shall operate a Segway on a sidewalk while carrying a passenger.
- (10) No person shall operate a Segway on a sidewalk while towing another person, vehicle, or device.
- (11) Any person operating a Segway on a sidewalk shall stand at all times while the Segway is in motion.
- (12) No person shall operate a Segway on a sidewalk, unless the Segway is in good working order.

### **3.5 Pedestrians**

- (1) No pedestrian shall obstruct a highway in such a manner as to interfere with the movement of vehicles.

- (2) No pedestrian shall obstruct a sidewalk, street corner, or shoulder of a highway so as to prevent the passage of any pedestrian.

### **3.6 Left Turn Restrictions – Schedule 1**

- (1) The intersections and other locations set out in Schedule 1 are designated as intersections and locations at which left turns are restricted.
- (2) Where official signs are posted, no person operating a vehicle shall make a left turn at a location set out in Schedule 1, during the times or days as set out in Schedule 1.

### **3.7 Right Turn Restrictions – Schedule 2**

- (1) The intersections set out in Schedule 2 are designated as intersections at which right turns are restricted.
- (2) Where official signs are posted, no person operating a vehicle shall make a right turn on a red light at a location set out in Schedule 2, during the times or days as set out in Schedule 2.

### **3.8 U-Turn Restrictions – Schedule 3**

- (1) The intersections and other locations set out in Schedule 3 are designated as intersections and locations at which U-turns are restricted and, where official signs are posted, no person operating a vehicle shall make a U-turn at a location set out in Schedule 3.
- (2) Where U-turns are not otherwise prohibited by the *Highway Traffic Act* or this by-law, a person operating a vehicle may make a U-turn only where it can be made in safety and without interfering with other traffic.

### **3.9 One-Way Streets – Schedule 4**

- (1) The highways and portions of highways set out in column 1 of Schedule 4, between the limits set out in column 2, are designated for one-way traffic only in the direction set out in column 3.
- (2) Where official signs are posted, no person shall drive a vehicle on any portion of any highway described in Schedule 4 other than in the direction set out in Schedule 4.

### **3.10 Speed Limits – Schedule 5**

- (1) The highways set out in column 1 of Schedule 5, between the limits set out in column 2, are designated as highways for which the prescribed maximum rate of speed is different from the rates set out in section 128(1) of the *Highway Traffic Act*, and the prescribed maximum rate of speed shall be the speed set out in column 3.
- (2) Where official signs are posted, no person shall drive a vehicle on any highway or portion of highway set out in Schedule 5 at a rate of speed greater than the speed prescribed by Schedule 5.

### **3.11 School Zones – Schedule 6**

- (1) The highways set out in column 1 of Schedule 6, between the limits set out in column 2, are designated as school zones.

- (2) During the period of time prescribed in columns 3 and 4 of Schedule 6, the prescribed maximum rate of speed in designated school zones shall be the speed set out in column 5.
- (3) Where official signs are posted, and are illuminated or actuated, or flashing amber signals are actuated, no person shall drive a vehicle on any highway or portion of highway set out in Schedule 6 at a rate of speed greater than the speed prescribed by Schedule 6.

### **3.12 Community Safety Zones – Schedule 7**

The highways set out in column 1 of Schedule 7, between the limits set out in column 2, are designated as community safety zones during the period of time prescribed in columns 3 and 4.

### **3.13 Truck Routes – Schedule 8**

- (1) The highways or portions of highways described in Schedule 8 are designated as truck routes.
- (2) Where official signs are posted, no person shall operate or park a heavy vehicle on any highway in the City other than on the highways designated as truck routes in Schedule 8.
- (3) Notwithstanding subsection (2), a heavy vehicle may be driven to make a direct delivery to or collection from a bona fide destination in the City, provided that the operator of the heavy vehicle proceeds by the most direct route between the nearest truck route and the place of delivery or pick up in the City, and on the completion of the conduct of business, the heavy vehicle is returned by the most direct route to the nearest truck route.

### **3.14 Load Limits on Bridges – Schedule 9**

- (1) The bridges at the locations set out in Schedule 9 are designated as bridges for which load limits are prescribed.
- (2) Where official signs are posted, no person shall drive or move a vehicle or combination of vehicles over any bridge described in Schedule 9 where the gross weight of the vehicle or combination of vehicles exceeds the gross weight limits listed in Schedule 9.

### **3.15 Through Highways – Schedule 10**

- (1) The highways designated in column 1 of Schedule 10, between the limits set out in columns 2 and 3, are designated as through highways for the purposes of the *Highway Traffic Act*, section 1, and every such highway shall be marked by a stop sign at every intersecting highway in compliance with the regulations of the Ministry of Transportation.
- (2) The designation of through highways by subsection (1) shall not include any intersection where traffic control signals have been installed nor include any intersection where the highway intersected is a Queen's Highway.

### **3.16 All-Way Stop Signs – Schedule 11**

The intersections set out in Schedule 11 are designated as all-way stop intersections, and stop signs shall be erected facing the direction of oncoming traffic on all approaches to the intersections.

### **3.17 Yield Signs – Schedule 12**

The intersections set out in Schedule 12 are designated as intersections where Yield Right of Way Signs shall be erected facing oncoming traffic at the highways shown in Schedule 12.

### **3.18 Traffic Control Signals – Schedule 13**

The intersections set out in Schedule 13 are designated as intersections where traffic control signals shall be installed and operated.

## **Part 4 – Administration**

### **4.1 Managing Director – Authorizations**

The Managing Director of Engineering, Environmental Services and Public Works is hereby authorized to:

- (a) erect or place and maintain such signs as may be necessary to give effect to the provisions of this by-law, or as required to warn or guide traffic for the safety or convenience of the public, including, but not limited to, official signs and traffic control devices;
- (b) erect and maintain all traffic control signals to give effect to the provisions of this by-law;
- (c) erect or place and maintain temporary traffic signs, traffic control devices, and barricades for the purpose of regulating or prohibiting traffic:
  - (i) where there is highway construction, repair, or painting underway;
  - (ii) for the purpose of a community event; or
  - (iii) in the event of an emergency; and
- (d) remove or cause to be removed without notice any sign, signal, device, or barricade found on a highway which resembles an official sign or authorized sign but which is not an official sign or authorized sign.

### **4.2 Oversized Vehicle Permits**

- (1) The Managing Director of Engineering, Environmental Services and Public Works may, upon application in writing, grant a permit for use of the highway by a vehicle or combination of vehicles in excess of the dimensional limits set out in section 109 of the *Highway Traffic Act* or the weight limits set out in Part VIII of the *Highway Traffic Act* in order to allow the movement of:
  - (a) a load, object or structure that cannot reasonably be divided and moved within those limits;
  - (b) a vehicle that cannot reasonably be divided and moved within those limits and that is not itself carrying a load, object or structure or drawing or carrying a vehicle; or

- (c) a vehicle or combination of vehicles that is used exclusively to move a load, object or structure or to draw or carry a vehicle as described in paragraphs (a) and (b).
- (2) The permit may be general, or may limit the time and the particular highway that may be used, and may contain conditions relating to the protection of persons and property from injury or damage.
- (3) The Managing Director of Engineering, Environmental Services and Public Works:
  - (a) may impose an administration fee of \$500.00 for an oversized vehicle permit application; and
  - (b) in addition, may require a bond or other security sufficient to cover the cost of repairing any possible damage to the highway.

## **Part 5 – Exemptions**

### **5.1 Emergency Vehicles**

- (1) All exemptions and exceptions set out in the *Highway Traffic Act* for emergency vehicles apply, with any necessary modifications, to the provisions of this by-law.
- (2) Without limiting the generality of subsection (1), sections 3.1(6), 3.6(2), 3.7(2), 3.8 (1), and 3.10(2) of this by-law do not apply to emergency vehicles responding to an emergency call, if the movement can be made in safety.

## **Part 6 – Enforcement**

### **6.1 Obstruct**

No person shall hinder or obstruct, or attempt to hinder or obstruct, any Provincial Offences Officer who is exercising a power or performing a duty under this by-law.

### **6.2 Offences and Penalties**

Any person who contravenes any provision of this by-law is guilty of an offence and, upon conviction, is subject to a fine as provided in the *Provincial Offences Act*, R.S.O. 1990, c. P.33.

## **Part 7 – Coming Into Force**

### **7.1 Coming Into Force and Repeal of Previous By-Laws**

- (1) This By-Law No. 2014-38 shall not come into force and effect until the date that Orders made by the Regional Senior Justice of the Ontario Court of Justice pursuant to the *Provincial Offences Act*, and the *Courts of Justice Act*, RSO 1990, c. C.43, and regulations thereunder take effect, approving set fines for offences under both this by-law and the City of North Bay On-Street Parking By-Law.
- (2) Upon the coming into force of both this by-law and the City of North Bay On-Street Parking By-Law pursuant to subsection (1), By-Law No. 2002-01 and all amendments thereto are hereby repealed.

READ A FIRST TIME IN OPEN COUNCIL THE 28<sup>th</sup> DAY OF APRIL, 2014.

READ A SECOND TIME IN OPEN COUNCIL THE 28<sup>th</sup> DAY OF APRIL, 2014.

READ A THIRD TIME IN OPEN COUNCIL AND ENACTED AND PASSED THIS 28<sup>th</sup> DAY OF APRIL, 2014.
