

**Traffic Control:** Traffic Signing will be in accordance with the current version of **Book 7 of the Ontario Traffic Manual – Temporary Conditions (January 2014)**. Access for emergency vehicles **MUST** be maintained at all times, unless otherwise approved by The Corporation.

**GENERAL CONDITIONS**

1. If for construction, insurance certification to include The Corporation of the City of North Bay as an additional insured, and copy of insurance certification must be submitted.
2. Any person or persons intending to perform work on City of North Bay property must first apply to the Engineering Services Division for a municipal consent letter. This approval must be obtained prior to the commencement of work.
3. The permit must be in the name of the person or persons performing the intended work and not the name of an agent acting for him/her.
4. WSIB Clearance must be submitted by contractors to complete the work.
5. The applicant assumes all maintenance and liability for temporary repairs until such time as permanent repairs are completed for the work described herein.
6. The applicant shall have the permit available at the times during which work is in progress.
7. The permit becomes null and void if the applicant should fail to meet the requirements of the permit, in which case, the Director of Engineering or his/her designate shall take action they deem necessary to reinstate the site for public protection at the expense of the applicant. In all cases the decision of the Director of Engineering is final.
8. When unforeseen circumstances require an extension of the permit or a change in any of the conditions under which the permit was issued, the holder of the permit shall apply for such change at least 24 hours in advance. Failure to do so will render the permit void.
9. All barricades, signs, signals, traffic control person(s), traffic control devices, detour design and signing shall meet current **Ontario Traffic Manual – Book 7 for Temporary Conditions (January 2014)** requirements and shall be the sole responsibility of the applicant.
10. The applicant shall maintain access to all public and private properties for the duration of the work.
11. It shall be the applicant's responsibility to request marking or other location information to determine the location and provide safeguards for all utilities, both public and private, in accordance with current regulations.
12. All damaged, disruption or removal of existing works such as curb, sidewalk etc. as described in the permit, and damages related to the work activity shall be reinstated by the applicant to current City of North Bay Standards.
13. The Applicant shall be responsible for attaining any and all other permissions and permits necessary to perform the permitted work, including those from all applicable federal, provincial, and local government or agencies.
14. Notify: Police 705 497-5555 Fire 705-472-1221 Ambulance 705-474-7403 Public Works Dispatch 705-474-4340
