**DATE:** October 17<sup>th</sup>, 2023

**RE:** NORTH BAY ALL WHEEL PARK  
WORKSHOP #1 & DESIGN SURVEY #1  
FEEDBACK SUMMARY REPORT

David,

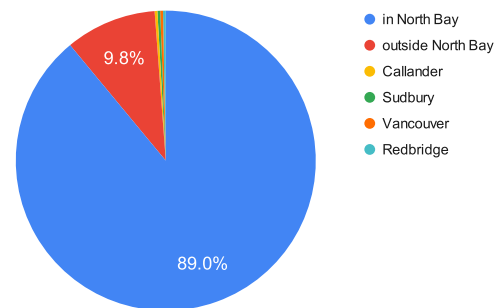

The following is a summary of the feedback gathered at the In-Person Workshop #1 held in North Bay on September 21, 2023, as well as Online Survey #1 for prepared by New Line Skateparks Inc. and hosted on Google Forms from September 22 to October 3. The In-Person Workshop collected (26) Participant Feedback Forms and the Online Survey collected (311) responses, for a total of (337) total responses! (197) out of (337) total responses (58.46%) were categorized as “Active Park Users”. This first round of Community Outreach shows a very high level of community interest and enthusiasm for the project and provides valuable feedback for the design team to consider in developing the Preliminary Design Directions.

## **PART ONE: DEMOGRAPHIC QUESTIONS**

### **Question 1: Where do you live?**

- **89.0%** in North Bay
- 11.0% outside North Bay

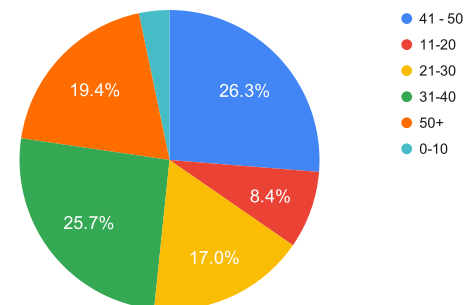

*The majority of responses came from residents living in North Bay (89.0%).*

### **Question 2: How old are you?**

- **26.3%** 41-50 years old
- 25.7% 31-40 years old
- 17.0% 21-30 years old
- 19.4% 50+ years old
- 8.4% 11-20 years old

*A wide range of age groups is represented. The largest representation was from participants in the 41-50 year old category.*

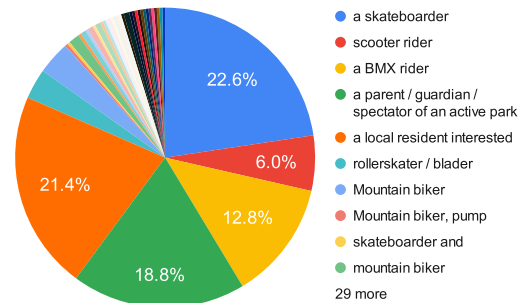

# NORTH BAY ALL WHEEL PARK WORKSHOP #1 & ONLINE SURVEY #1 FEEDBACK SUMMARY REPORT

## PART TWO: PARTICIPATION

**Question 3: I am primarily interested in the project because I am ...**

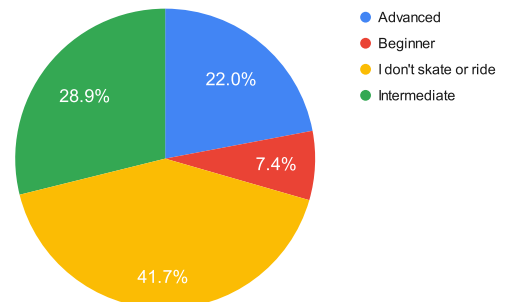

- 22.6% a skateboarder
- 21.4% a local resident interested in the development of these public spaces
- 18.8% a parent / guardian / spectator of an active park user
- 12.8% a BMX rider

*The majority of responses (22.6%) came from skateboarders. Approx. (58%) of responses can be categorized as "Active Park Users". There was a significant number of responses from the Mountain Bike community; although not our specific target audience, they will be added as a category for 2 Online Survey #2.*

**Question 4: How would you describe your Skateboarding / Riding ability?**

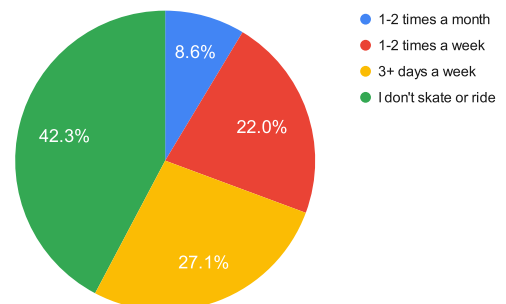

- 41.7% I don't skate or ride
- 28.9% Intermediate
- 22.0% Advanced
- 7.4% Beginner

*Our goal is to create a well-rounded design with a broad range of ability levels in mind.*

**Question 5: How often do you skate / ride?**

- 42.3% I don't skate or ride
- 27.1% 3+ days a week
- 22.0% 1-2 times a week
- 8.6% 1-2 times a month

**NOTE:** (197) out of (337) total responses (58.46%) were categorized as "Active Park Users". Only "Active Park Users" were then able to respond to questions re: Preferred Terrain Style and Features.

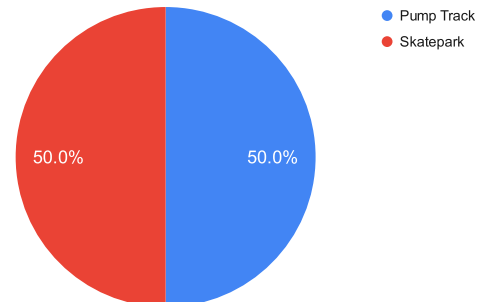

# NORTH BAY ALL WHEEL PARK WORKSHOP #1 & ONLINE SURVEY #1 FEEDBACK SUMMARY REPORT

## Question 16: What's the #1 feature you'd like to see in the North Bay All Wheel Park?

- **High Demand for Pump Tracks:** A significant number of users expressed a strong desire for a Pump Tracks, specifically designed for both shorter and longer (26") wheel bases.
- **Versatility & Multi-Sport Use:** Users are looking for a versatile space that accommodates multiple wheel sports, including biking and skateboarding, with a variety of features.
- **Quality of Materials & Amenities:** There's an emphasis on using smooth finish concrete for the skatepark. Users also suggested amenities like repair stations, water fountains and washrooms.
- **Safety & Community:** Respondents called for shaded areas for parents and spectators, water stations, and security measures to create a safe and inclusive environment.
- **Cultural & Environmental Integration:** Suggestions were made to make the park blend in with the natural surroundings and to pay respects to the indigenous land and community.

## PART FIVE: ADDITIONAL INFORMATION

### Question 17: Beyond the All Wheel Park active terrain, are there any other amenities you'd like to see included? (i.e. seating areas, landscaping, shade, lighting, washrooms, etc.)?

- |         |                 |         |                |
|---------|-----------------|---------|----------------|
| ○ 79.4% | <b>Shade</b>    | ○ 63.1% | Seating Areas  |
| ○ 72.0% | <b>Lighting</b> | ○ 60.6% | Water Fountain |
| ○ 66.8% | Washrooms       | ○ 35.4% | Landscaping    |

### Question 18: Do you have any other questions/comments related to the North Bay All Wheel Park?

- **Pump Tracks & Biking:** Strong desire for a robust Pump Track and bike-friendly features, with some calls for competition-standard design that are tailored for mountain biking and BMX.
- **Safety & Maintenance:** Calls for police presence, security cameras, and ongoing maintenance to ensure the park remains a safe and enjoyable environment.
- **Inclusive & Accessible:** Suggestions for features that cater to various skill levels, age groups and special needs, along with questions about supervision.
- **Community & Culture:** Interest in public art, honouring indigenous land, and additional amenities like bike lockers and water stations.

The feedback summarized here (in addition to a detailed analysis of the Project Scope/Budget and Existing Site Opportunities / Constraints) will be considered in the next phase of Concept Design Development. Please let us know if you have any questions or comments regarding this Survey Summary Report.

Sincerely,

Bill Gurney, OALA, CSLA

Any Seating should be near a spot you would host a game of skate. Place area out of the flow  
Access to outlets would be sick

8. General Comments. (use the adjacent box or back of this sheet if you need more space)

Child sized features that double as good practice ledges/ramps away from main area. Keep the kids in mind but out of the way.

A place to sit down in the shade is always welcomed... for possibly a place to enjoy the lake view while skating would be amazing.  
possibly set interact with a local artist.

8. General Comments. (use the adjacent box or back of this sheet if you need more space)

I would love some art integrated into this park. Such as a mural, or native american culture integration and possibly some references to the city (shut flies, etc).  
Maybe include some crew and ojibway language into the park. I'd love to encourage public music such as a spot for public performances.
