

CITY OF NORTH BAY
LAKESHORE DRIVE AND PINWOOD PARK DRIVE IMPROVEMENTS
SCHEDULE C, CLASS ENVIRONMENTAL ASSESSMENT

NOTICE OF STUDY COMPLETION

The Corporation of the City of North Bay has completed a Class Environmental Assessment (Class EA) for the proposed improvements to Lakeshore Drive and Pinewood Park Drive from Ferris Drive to the City's southern urban boundary limits, a total distance of approximately 3.7 km. The preferred key design improvements within the study area include:

- Urbanize and widen Lakeshore Drive to 4 lanes, including sidewalks and multi-use pathway;
- Urbanize and widen Pinewood Park Drive to 5 lanes, including center left turn lane and sidewalks;
- Construct roundabout at the intersection of Lakeshore Drive and Booth Street;
- Construct roundabout at the intersection of Lakeshore Drive and Pinewood Park Drive;
- Construct bike lanes;
- Install storm sewers.

The Class EA study followed the planning and design process for Schedule C projects as described in the Municipal Class EA document for Municipal Road Projects, published by the Municipal Engineers Association. The findings of the Class EA process have been documented in an Environmental Study Report (ESR).

The purpose of this notice is to advise the public and stakeholder groups that the completed ESR is available for review for the period **May 6 to June 6, 2022**. The ESR may be accessed through the City's website and at the following link:

<https://www.northbay.ca/city-government/projects-public-engagement/>

Interested persons may provide written comments to our project team by **June 6, 2022**. All comments and concerns should be sent directly to the project Consultant. In addition, a request may be made to the Ministry of the Environment, Conservation and Parks for an order requiring a higher level of study (i.e. requiring an individual/comprehensive EA approval before being able to proceed), or that conditions be imposed (e.g. require further studies), only on the grounds that the requested order may prevent, mitigate or remedy adverse impacts on constitutionally protected Aboriginal and treaty rights. Requests on other grounds will not be considered.

Requests should include the requester's contact information and full name. Requests should specify what kind of order is being requested (request for conditions or a request for an individual / comprehensive environmental assessment), how an order may prevent, mitigate or remedy potential adverse impacts on Aboriginal and treaty rights, and any information in support of the statements in the request. This will ensure that the Ministry is able to efficiently begin reviewing the request.

The request should be sent in writing or by email to:

Ministry of Environment, Conservation and Parks
777 Bay Street, 5th Floor
Toronto ON M7A 2J3
minister.mecp@ontario.ca

and

Director, Environmental Assessment Branch
Ministry of Environment, Conservation and Parks
135 St. Clair Ave. W, 1st Floor
Toronto ON, M4V 1P5
EABDirector@ontario.ca

Requests should also be copied to the City by mail or by e-mail. Please visit the Ministry's website for more information on requests for orders under Section 16 of the Environmental Assessment Act at: <https://www.ontario.ca/page/class-environmentalassessments-part-ii-order>
